MESSAGE;

Ken,

39-7180 X 2353

As promised attached is a sketch of the Centennial Collage Campus location. The teacher name is Jim TUPPER and the presentation will be in the B1-16 room. The program is as follows;

Introduction on STLE - K.Brown	2:45 pm
Poor Tribological Practises - K.Brown	2:55 pm
NRC video on Tribology - K. Brown	3:10 pm
Basic info on Tribology - D. Taylor	3:40 pm
Engine Oil Characteristics - J. Dennis	4:05 pm
Cold War Video - J. Dennis	4:25 pm
Final Comment - G.Staniewski	4:45 pm

VCR+TV, overhead and slide projectors will be available during presentation. If you required additional information or assistance please call me at 592-1881.

*JS*

Ps. Would you please bring the STLE projector as a back up. Thanks  
George
